## 1 Registration Online

Welcome to the 2019 winter netball season at Palmyra Rebels Netball Club.

This pack contains a lot of important information regarding the upcoming season. There are significant changes to the registration process this year and therefore vital to review this information carefully.

Fremantle Netball Association (FNA) will, by directive from Netball WA, be introducing a Modified Competition in line with the Net Set Go program of Netball Australia. Net Set Go is for all players in H Grade (Set) through to F Grade (Go). FNA will be phasing in the Modified Competition over the next three years with some leeway given to accommodate current FNA policy.

For ALL players born 2009 – 2011 you will need to register through NET SET GO registrations. This is a separate link.

### **Please note:**

All on-line registrations must be accompanied with full payment.

Late registrations will be placed on a waiting list for team selection, in which case no guarantee of team placement can be made for you/your daughter.

Before completing the Palmyra Rebels Netball Club player on-line registration process, please read the terms and conditions carefully, particularly those regarding your obligations to the Club under its Code of Conduct for Players, Parents/Spectators and Officials.

5. If I am a new player and younger than 18, then I (or my parent/legal guardian) must produce appropriate proof of my age to a PRNC official when grading commences.

This will be at the discretion of the Executive Committee.

If the individual withdraws after affiliation data has been submitted to Fremantle Netball association then they will receive a partial refund of the PRNC component only. The amount of the refund will be determined by the executive committee.

### 6 Grading Process

The Palmyra Rebels Netball Club grading process involves:

1. Player assessment during the last round of previous season whilst actively involved in competition
2. Pre-season player assessment. These sessions are compulsory.

- Coaches Assessment of player performance within their own team from the previous season. This also includes attendance, effort and attitude.

Grading is based on year of birth, not school year, as per FNA requirements. Proof of age may be requested.

Participation at the Club's grading trials is compulsory, unless there are special extenuating circumstances. Any absence must be communicated in writing to the Grading Coordinator PRIOR to the commencement of trials. Please note that absences may be taken into account when team placement is considered. Grading trials will begin in February 2019.

Every endeavour is made by the Grading Committee to place members appropriately in teams taking into consideration skills and team balance. We cannot guarantee to place your daughter with her friends. If you choose to withdraw your daughter from Palmyra Rebels Netball Club once registration and grading has occurred, a portion, or all, of fees is non-refundable. Please refer to our refund policy.

Once a player is graded and the teams announced, the Club's policy is not to move that player to another team, other than exceptional circumstances (eg where a player is seriously injured and this necessitates another player to be moved).

All teams are submitted to FNA with Rebels' grading request. The grade of the team is then decided upon by FNA.

Please note FNA will not change teams' grades once the clubs have been notified.

For further information on grading process, please refer to the Club website.

If you have any further queries, please do not hesitate to contact Rebels via [secretary@prnc.com.au](mailto:secretary@prnc.com.au).

## 9 Umpiring

For every team that Palmyra Rebels registers in the 2019 playing season, the club is required by FNA to supply an umpire. Therefore all players from 14 years old onwards will be allocated club umpiring duties throughout the playing season to cover these requirements. FNA imposes a \$50 fine per duty to the club for failure to umpire, along with a team penalty of 2 premiership points deduction. This fine will be passed onto the rostered player/umpire as well as a further emergency substitute umpire fee, totalling \$80. If you incur a fine you will be unable to play until it is paid.

The club will be running in-house umpiring courses prior to the 2019 season commencing for all players starting at introductory level. Palmyra Rebels will also be continuing their Mentoring program in 2019. This program aims to give more support for younger umpires and development for umpires wishing to extend their umpiring experience and qualifications further. **Please note that if PRNC contributes to the cost of your umpiring education, then there is a reasonable expectation by the Club that you will give Palmyra your 1<sup>st</sup> priority to umpire for us when you are available to umpire during the season.**

The club will have a Relief Umpire Register for players who are unable to fill their allocated duties. It is expected that these umpires are paid by the player who enlists the Relief Umpire. Please ensure that the Relief Umpire is paid before the game duty is covered.

To be included on the Relief Umpire Register it is expected that all umpires are to have completed the Online Section 1 Theory Examination and provided the Umpiring Co-ordinator with their results prior to them being included on the Register. We encourage interest from players who are high school aged and older for inclusion in the Relief Umpires Register. To be included (both Juniors and Seniors), please complete the relevant sections on umpiring when registering as a player on-line.

Any enquiries please direct to the Umpiring Co-ordinator at [umpiring@prnc.com.au](mailto:umpiring@prnc.com.au)
