6 Grading Process

The PRNC grading process involves:

1. Pre-season player assessment. The 3 trials in February are compulsory.
2. Coaches Assessment of player performance within their own team from the previous season. This also includes the athlete's skills, attendance, effort and attitude.

Grading is based on year of birth, not school year, as per FNA requirements. Proof of age may be requested. The grades for 2020 are as follows:

- Set Tier - Born 2013 & 2012 (NetSetGo)
- GO- G Tier - Born 2011 (NetSetGo)
- GO- F Tier - Born 2010 (NetSetGo)
- Junior E Grade - Born 2009
- Junior D Grade - Born 2008
- Junior C Grade - Born 2007
- Junior B Grade - Born 2006
- Junior A Grade - Born 2005
- 17 & Unders - Born 2004 & 2003
- 19 & Unders - Born 2002 & 2001
- Seniors - Born 2002 & earlier

Participation at the Club's grading trials is compulsory, unless there are special extenuating circumstances. Any absence must be communicated in writing to the Grading Coordinator grading@prnc.com.au **PRIOR** to the commencement of trials. Please note that absences may be taken into account when team placement is considered. Grading trials will begin in February 2020.

Every endeavour is made by the Grading Committee to place members appropriately in teams taking into consideration skills and team balance. We cannot guarantee to place your child/ren with their friend/s. If you choose to withdraw your daughter from PRNC once registration and grading has occurred, a portion, or all, of fees is non-refundable. Please refer to our refund policy.

Once a player is graded and the teams announced, the Club's policy is not to move that player to another team, other than exceptional circumstances (eg where a player is seriously injured and this necessitates another player to be moved).

All teams are submitted to FNA with PRNC's grading request. The grade of the team is then decided upon by FNA.

Please note FNA will not change teams' grades once the Clubs have been notified.

For further information on grading process, please refer to the Club website.

If you have any further queries, please do not hesitate to contact PRNC via secretary@prnc.com.au.

9 Umpiring

For every team that PRNC registers in the 2020 playing season, the Club is required by FNA to supply an umpire. Therefore, all players from 14 years old onwards will be allocated **Club umpiring duties** throughout the playing season to cover these requirements.

FNA imposes a \$50 fine per duty to the Club for failure to umpire, along with a team penalty of 2 premiership points deduction. This fine will be passed onto the rostered player/umpire as well as a further emergency substitute umpire fee, totalling \$80. If you incur a fine you will be unable to play until it is paid.

The Club will be running in-house umpiring courses prior to the 2020 season commencing for all players starting at introductory level. FNA offer many valuable Umpiring workshops throughout the year – it would be highly recommended that all umpires, especially on The PRNC Umpiring Development Squad (RUDS) attend these workshops.

PRNC will also be continuing their Mentoring program in 2020. This program aims to provide more support for Club umpires and development for umpires wishing to extend their umpiring experience and qualifications further.

Please note that if PRNC contributes to the cost of your umpiring education, then there is a reasonable expectation by the Club that you will give PRNC your 1st priority to umpire for us when you are available to umpire during the season.

The Club will have a Relief Umpire List available for players who are unable to fill their allocated duties. It is expected that these umpires are paid by the player who enlists the Relief Umpire. Please ensure that the Relief Umpire is paid before the game duty is covered.

To be included on the Relief Umpire Register it is expected that all umpires are to have completed the Online Section 1 Theory Examination and provided the Umpiring Co-ordinator with their results prior to them being included on the Register. We encourage interest from players who are high school aged and older for inclusion in the Relief Umpires Register. To be included (both Juniors and Seniors), please complete the relevant sections on umpiring when registering as a player on-line.

RUDS - PRNC UMPIRING DEVELOPMENT SQUAD

RUDS has been developed to promote and encourage umpiring within our Club. The RUDS is structured to allow athletes 14 years and older to develop confidence umpiring Club games whilst being mentored by a fellow Club member.

If an athlete would like to join the RUDS – they will be **expected** to complete the following umpiring courses prior to the season beginning;

- Rules of Netball Theory Exam – [Netball Theory Examination](#)
- Foundation Umpire Course – [Foundation Umpire Course](#)

Please indicate when registering – that you'd like to be part of the RUDS.

RUDS Mentor

It is a prerequisite that a RUDS Mentor has achieved their National C Badge. It will be expected that Mentors are also continuing their Umpiring Development. Mentors will also receive education to upskill their Mentoring Skills.

Please direct any umpiring enquiries to Shaylyn Johnson, PRNC Umpiring Coordinator at umpiring@prnc.com.au
